

THUNDER MOBILE TICKETING

USE YOUR SMARTPHONE AS YOUR TICKET TO THUNDER GAMES!

INTRODUCING THUNDER MOBILE TICKETING

We are thrilled that you will be joining us at Chesapeake Energy Arena for the 2013-14 Thunder season!

As part of our ongoing efforts to find fresh and innovative ways to enhance your game experience, we are excited to introduce Thunder Mobile Ticketing for this season.

Thunder Mobile Ticketing offers you the convenience of using your smartphone as your game ticket, providing access to the arena with a unique barcode that can be scanned from your screen. Once your barcode is scanned, you will receive a printed seat locator as you enter the arena. It's that easy!

You can still easily print, transfer/forward or resell seats using your Online Account Manager, which you can access through **THUNDER-MOBILE.COM**. From that site, you'll be able to manage tickets on your computer or with a new mobile-friendly site on your smartphone, tablet or other mobile device.

All the information you need to start using the Thunder Mobile Ticketing is available in this guide. However, if you have any questions, please feel free to contact your personal Thunder account manager or visit **THUNDER-MOBILE.COM** for an online tutorial.

Thank you for your support of Thunder Basketball, and we hope you enjoy the convenience of Thunder Mobile Ticketing!
